

## CT Dance School Safety Guidelines

Before registering for Fall 2021/ Spring 2022 classes, we ask that you take time to read these guidelines in their entirety. Your health and safety come first. We ask that you follow these guidelines to ensure everyone's safety. Thank you!

### **Please Wear a Mask**

- You must wear a mask while in the studio unless everyone in the studio is fully vaccinated. If your dancer is over the age of 12 please ask your instructor if their mask may be removed in the studio during class.
- Masks must be worn if you are going to the bathroom or leaving early.
- Masks are only available if you forget yours. If you forget your mask please go to the main office before going into your class.

### **Staff Cleaning & Disinfecting**

- Door knobs and ballet barres will be cleaned after every class.
- The front doors, side doors and back door will be open before and after class for contactless entry.
- There will be hand-sanitizing stations located near the main entrance and in the studios.
- Please wash your hands.
- Drinking fountains will not be available. Bring your own water.
- Students and employees shall stay home if they have a fever, are ill, or have been experiencing symptoms of a cough, sore throat, fatigue, body aches, etc.

### **Rules for Entering CDS and Leaving CDS**

- Parents and siblings are to remain outside the school unless they have made an appointment with the office.
- Please use the hand sanitizer in the main lobby or your designated entrance before walking further.
- Street shoes should be removed before entering the studios.

### **What each Student Should Bring to CDS**

1. Bring your own water bottle.
2. Bring your own mask and gloves.
3. Come dressed in uniform. The dressing rooms will be closed.
4. Bring a bag to place your street shoes in.

Thank you for reading and following these guidelines when coming to CT Dance School. If you have any questions, please email us at [info@ctdanceschool.org](mailto:info@ctdanceschool.org).
